

# Hogan Certifications

**official authorised distributor Thailand**

# Hogan Assessments Certification

## Hogan Assessments Certification

- Learn to use the Hogan Personality Inventory (HPI), Hogan Development Survey (HDS), and the Motives, Values, Preferences Inventory (MVPI)
- Enhance interpretive skills through case studies, applied feedback & coaching
- Insights provided will challenge and change the way you think about human nature, leadership and performance

# Why Certified with ATS

## Why Attend?

**Deepen Your Knowledge:** Understand the science behind personality assessments and how Hogan measures work personality, potential, values, and development areas.

**Enhance Your Talent Strategy:** Learn to apply Hogan insights to recruit the right talent, build strong teams, and retain high-performing employees.

**Develop Effective Leaders:** Use Hogan to identify leadership strengths and blind spots, creating focused development plans for current and future leaders.

**Empower Coaching Practice:** For coaches, Hogan assessments provide a structured framework to build meaningful client insights and drive behavioral change.

## Workshop Highlights

Intensive, interactive training on interpreting and using Hogan Assessment tools

Case studies, practical exercises, and real-world applications

Certification upon completion, enabling you to administer Hogan Assessments with confidence

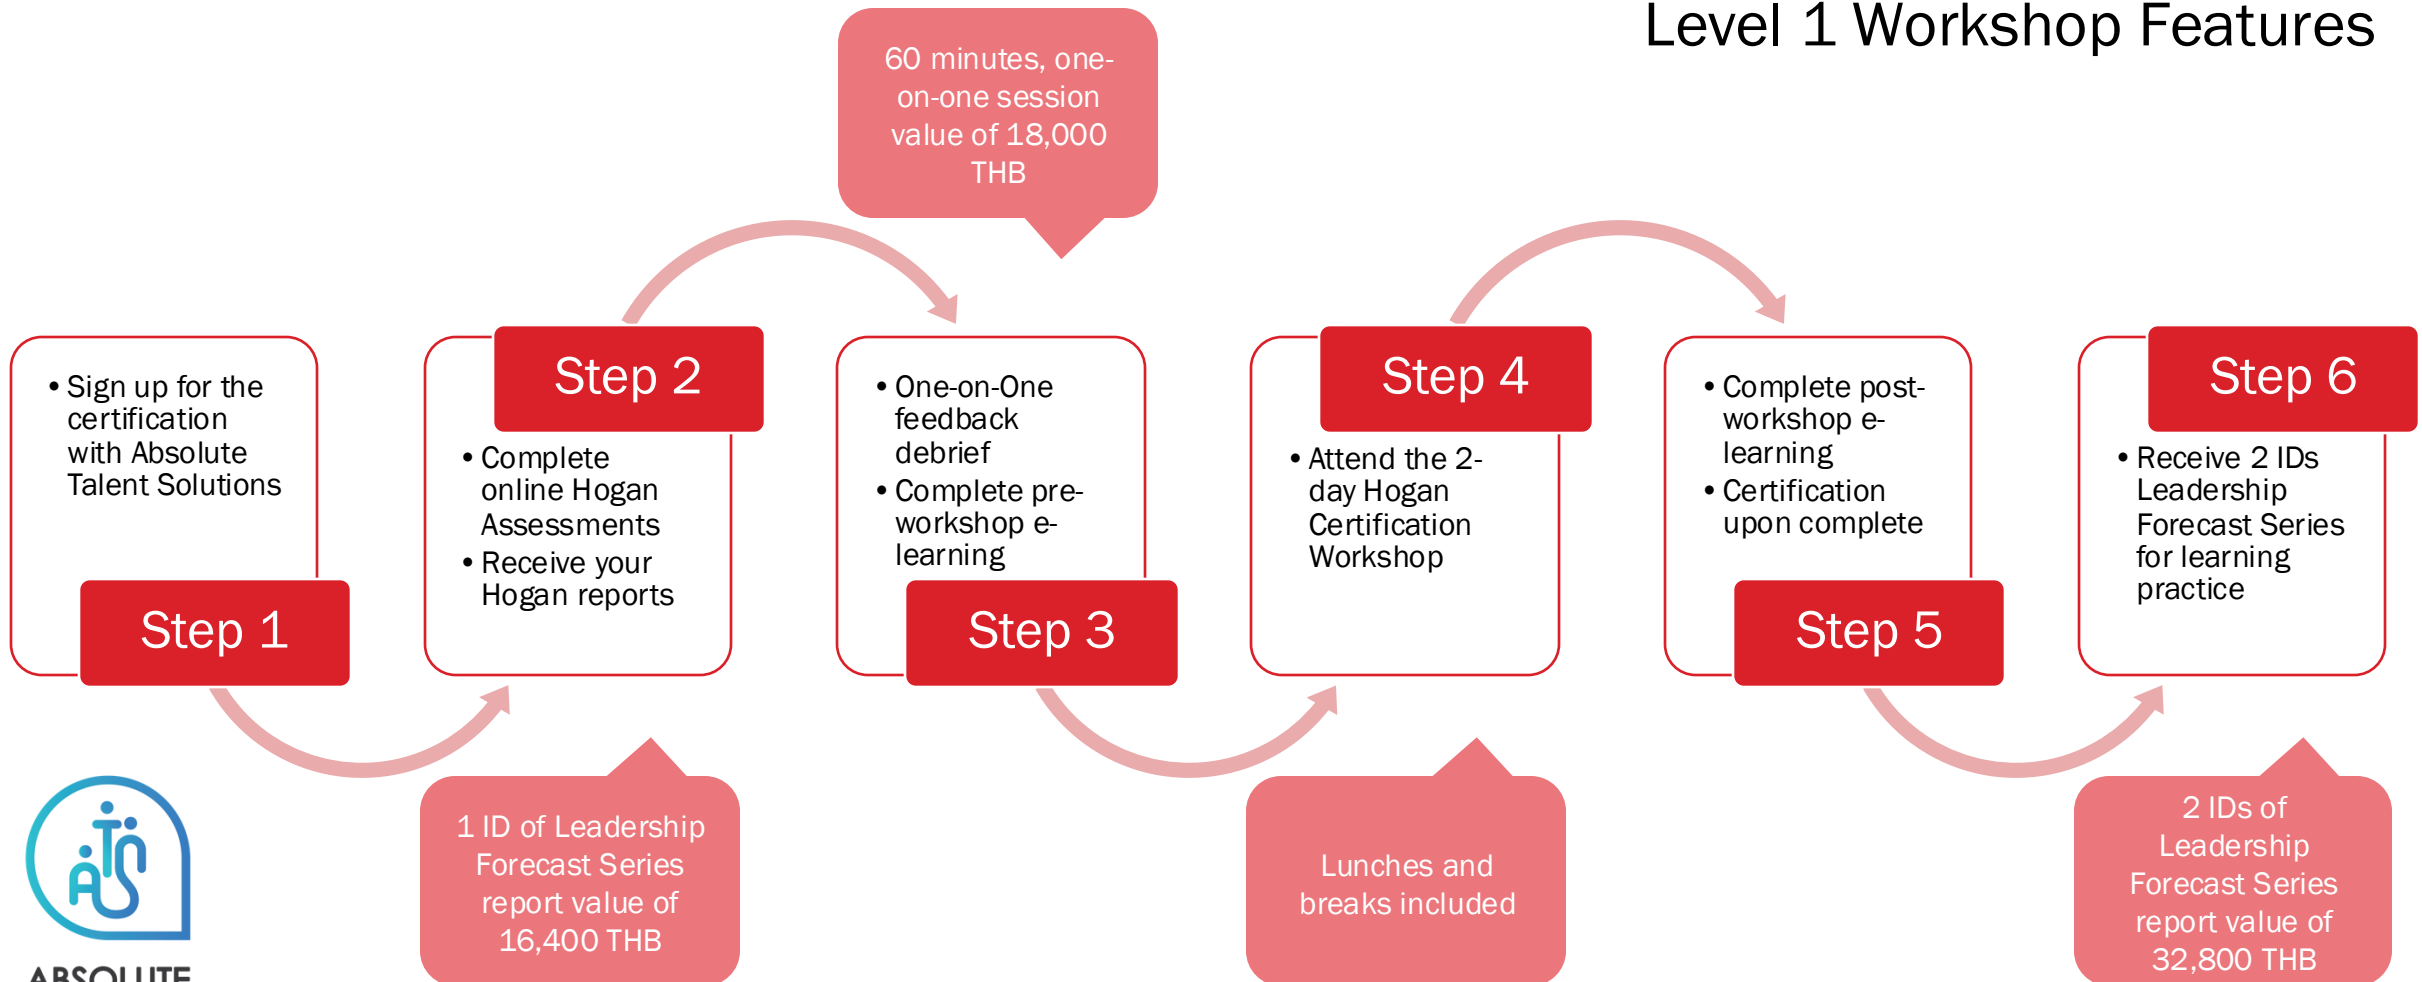

Networking with like-minded HR professionals and coaches in Thailand
