AN OFF-THE-SHELF SOLUTION FOR CANDIDATE JOB FIT

Report for: Sam Poole

ID: HC560419

Date: April 26, 2019

Job: Technicians and Specialists

INTRODUCTION

Different characteristics are important for success in different jobs, and characteristics that are important in one job may interfere with performance in others. The Hogan Personality Inventory (HPI) evaluates candidates on seven well-known dimensions or characteristics that influence occupational success. This report is based on

the candidate's scores on these dimensions and it is organized in three sections. Section I reviews the candidate's results focusing on (a) characteristics relevant for success in most work environments; (b) suitability for the position; and (c) the style with which he will interview. Section II provides a graphic report of the candidate's assessment results. Section III summarizes the recommendation for job fit and potential hiring.
